> On Nov 20 - the NTA meeting is now in conflict with the Wheeler meeting. I really want to devote my attention to this and thus not short Mark S. on time. I know this is the third or fourth time, but can you please ask folks and move this meeting around. Any free time on Nov 20, including my hold or open season times can be used. The careful person in me pushes the meeting to after thanksgiving in anticipation of additional surprises to come early next week.
